

HARVIA JKV

JKV602401

Harvia Topclass is a user-friendly heater. The outer casing and the stone space are made of stainless steel. The illuminated control panel is placed on the side of the heater towards the top section, which makes it easy to access the switches even in the dim lighting of a sauna room. The heater is easy to mount on a separate mounting rack, and the control panel can be mounted either on the right side or the left side of the heater as appropriate.

Features

Main material : Steel

H x W x D : 650.0 x 450.0 x 300.0 mm

Net weight (kg) : 16.0

ID	GTIN	Output (kW)	Sauna room size min - max m ³
JKV602401	6417659027373	6 kW	4.8-8.5

Technical details

Technical data	Type / attribute	JKV602401
	Color	Stainless Steel
	Power output	6 kW
	Stone sizes	5-10 cm
	Stone amount (kg)	20
Dimensions	Product width (mm)	450
	Product height (mm)	650
	Product depth (mm)	300
	Net weight (kg)	16
	Gross weight	18
	Package width	700
	Package height	500
	Package depth	370
Safety and installation dimensions	Safety distance side (non-combustible materials)	50
	Safety distance (Ceiling) (depends on connections and therefore from output, star/delta)	1100
	Room min. height(depends on connections and therefore from output, star/delta)	1980
